

DIABETES NURSING: REVERSING THE TREND

trend·UK 2019
DIABETES NURSING CONFERENCE

The TREND-UK National Annual Conference was developed in 2010 and is always held in two locations within the UK to enable ease of access for attendees. The free event is always well-attended and places are often reserved up to six months beforehand. Each conference is completely bespoke, made up of a variety of key speakers from a variety of professions and expertise.

Dates:

Birmingham: October 4th

London: October 11th
